

TODAY'S INSIGHTS FOR TOMORROW'S ECONOMY.

INTRODUCTION SCRIPT

What does the future of our economy look like? It's a big question, and there's no one better to help us unpack it than our next speaker.

Evan Lucas is one of Australia's most trusted voices on economics, markets and human behaviour.

As an Economic Futurist, he blends economic insight with behavioural and demographic trends to help people understand what's happening now and what's coming next.

His career has taken him from the trading floors of the Netherlands to the boardrooms of London and back home to Australia. With over 20 years of global experience in finance, economics and media, Evan is passionate about making the complex simple and the future actionable.

You've likely seen and heard him on ABC News Breakfast, Sunrise, The Today Show, The Project, Sky News and radio stations across the nation.

He's had multiple appearances on SBS's Insights and co-hosted The Brighter Side on Channel 10.

He also hosts the hugely popular podcast Exchanges, where he explores the human side of economics.

Today, Evan will challenge us to think beyond the headlines with bold ideas, sharp insight, and a fresh take on where we're headed.

So please join me in welcoming the Economic Futurist, Evan Lucas!
